Selectmen Wrestle With Gravel Problems At Their Meetings

DEMOCRATIC VICTORY BALL SATURDAY, JUNE 1

At a meeting of the Wilmington Town Democratic Committee, Sunday, final plans were formulated for the Victory Ball and banquet to be held at Marty's Penthouse in Lowell, on June 1, starting at 7:30 p.m.

Included among those are state, district and local dignitaries who have confirmed their attendance at the ball are: Lt. Governor, Robert Murphy; Senator, John Powers; District Attorney James O'Dea, Governor's Councilor Ray Crammins; County Commissioners, Buckley and Brennan; Sheriff, Howard Fitzpatrick; State Auditor, Thomas Buckley; State Democratic Committee Chairman, Pat Lynch, John Murphy, of Tewksbury, Helen Dronay and Dick Donahue of Lowell; Representatives Charles Wilkinson and Frank Tanner.

Wilmington will be represented by Town Manager and Mrs. Joseph Courtney, Chairman of the Board of Selectmen Nicholas DeFelice and his wife, and Chief of Police Paul Lynch and his

wife.

Letters of regret for being unable to attend were read from Senator John Kennedy, Governor Furcolo and James Curley.

Reservations must be in by Thursday evening, May 30. Tickets are limited, but there are a few left. Anyone desiring to attend may obtain tickets from the following: Selectman Frank Hagerty, Jim's Variety Store on Shawshen Ave., John Davis of Grove St., Al Lynch, Henry Filippone, Ernest Crispo, Leo Barrette, Red Eaton, Tim Cain, Harold McKelvey, Mrs. Elizabeth Kelley, Eleanor Grimes, Dorothy Richards and Phillis O'Leary.

The banquet will start at 7:00 p.m. and following the dinner, Lt. Governor Robert Murphy will address the gathering. Introductions of the invited guests will take place and dancing will continue until mid-night. Selectman Frank Hagerty will act as master of ceremonies and a large crowd is expected.

Women's Little League Auxiliary News

Dear Little League Mother. Little League is now entering its fifth year! Five years of playing baseball for your boy and mine. The fathers of the Little Leaguers have joined together and now have a solid organization. We mothers are trying to do the same thing, so that we may help, too. Hence, this letter to you.

We need as many mothers in back of the Little Leaguers as we do fathers. The boys need a field of their own to play on, therefore we

do what we can to help raise money with this in mind. The Women's Auxiliary also provides the trophies given each year. In fact, many things are needed to keep the Little League going each year, such as bases, playing equipment, upkeep of the field, etc. The fathers are striving to raise money for many things, but it is up to all of the parents to do what they can.

Our main source of finance is the refreshment stand at the Little League Park. In order to keep this open, we must depend on the mothers. WE NEED YOUR HELP! The more women we have to help, the less work there is for each one. We would like very much to have you join us this year and make it an all out year. Whatever time you could give us would be well appreciated and would be time well spent for your boy.

There will be a meeting at the D. A. V. Hall, Silver Lake, on June 4, at 8:00 p.m. Won't you please attend, and help us a little, so that your boy may be helped a lot?

Thank you,

The Little League Mothers of Wilmington

May Procession At St. Thomas'

The slides cleared on Sunday afternoon for the annual May Procession held by the members of St. Thomas' parish. The procession followed a route on Middlesex Ave., from Villanova Hall to the church, where services in honor of Our Lady, the Queen of the May, were held at the outdoor shrine.

All parish organizations were represented in the tribute, as well as a visiting drum and bugle corps. The music was provided by the Assumption Drum and Bugle Corps of East Boston who were accompanied by their pastor, Father Croke, who is brother to Father Edmund Croke, pastor of St. Thomas'.

Also represented were the Holy Name Society, the Choir, the C.Y.O. and their baseball team, the First Communion Class, the Jr. C.D.A., the Sunday School classes and the C. D. A.

The Sacrament of Holy Communion will be observed at the Wilmington Methodist Church on Sunday, June 2, at 9:15 and 11 a.m. The communion meditation will be led by the pastor, the Rev. Richard E. Harding. Mr. Garth Grew, a student at Boston University and assistant organist at the First Methodist of Lynn will be guest organist at these services in the absence of Mrs. W. T. Staveland.

Members of the Youth Division of the Church School will share in the worship services, and the recently elected officers of the W.S.C.S. will be installed.

Crusader Wonders Why Manager Courtney Asks For So Many Executive Sessions

The reasons behind the many executive meetings of the past months was revealed publicly last evening, at the meeting of the Board of Selectmen. Long rumored, but not officially admitted, has been the difficulty with which the selectmen have been faced by the gravel pit operations going on within the town.

A set of rules and regulations made some time ago, has been changed, adapted, stretched, cut and added to, in the endeavor to try to keep everybody happy. The regulations first contained a clause calling for a land plan so extensive and expensive, to be submitted with an application for a gravel operation, that it brought loud howls from the town's gravel operators. Last night this stipulation was returned to the regulations, which if enforced as they now stand, would, in the opinion of Town Manager Joseph Courtney, preclude any problems concerning new gravel pits.

Before the reading of the regulations by Mr. Courtney, the selectmen made the following motion: "That the previous motion prohibiting the removal of sand and gravel after May 31, 1957 outside the town limits be rescinded." The motion was made by Donald Kidder, seconded by Mrs. Wavie Drew, and voted by Chairman Nicholas DeFelice, Frank Hagerty abstained and Charles Black had left the meeting early due to a previous appointment.

An original motion which Mrs. Drew had seconded had the words "and any subsequent pits" added to the intent to allow present operators to remove sand and gravel from the town limits. Upon addition of the phrase, Mrs. Drew refused to have her name on the motion as having seconded it. The motion was torn up and the one mentioned above was voted, and after the reading of the minutes, one to accept the new regulations was made and voted. The problems of what to do about future applications was postponed until further date.

The discussion had its share of heated moments as the question of whether the interests of the pit operators of the good of the town were best being served. Selectman Hagerty stated that he was

tired of spending four hours every Monday trying to make a handful of men rich while watching them haul Wilmington away.

Nicholas DeFelice said that he, and the Board, had been accused of favoritism by allowing processed gravel companies to sell their products out of town, while forbidding the other operators the same privilege. The two large firms engaged in the production of washed sand and gravel are among the taxpayers in the town, and employ many local residents. The feeling among other operators appears to be that if they are forced to stop selling gravel out of town, these plants should also be forced to abide by the same order.

Another motion unanimously voted by the board last night changes a previous motion made on Nov. 21, 1955, to read, that the Town Crier be named one of the newspapers in which the town shall place its legal advertising. The original motion read that the Town Crier be named "the" newspaper in which etc. Mr. Hagerty, who made the original motion stated that his intent was to have it read "one of the". The motion followed a long discussion on the matter, and a ruling from Town Counsel Phillip Buzzell is still to be obtained on whether advertising may legally be placed in any other newspaper but the Town Crier.

A ruling by Mr. Buzzell on the matter of the resident who agreed to let a portion of his land in the Shawshen Ave area be used as a playground in exchange for abatement of taxes on his whole property was received by the Board. Mr. Buzzell ruled that the only way in which this would be legal was if the Shawshen Improvement incorporated as a charitable organization and the title to the land was in its name.

Two jurors were drawn for criminal session at Cambridge on June 17. Cordyon Coombs of 464 Middlesex Ave., and Ernest Crispo of Hopkins St.

V. F. W. POST AND AUXILIARY DOINGS

by Deb Kleynen

When one is trying to write a column and keep up on the news, the week sure rolls around fast.

The three Veterans Organizations attended the Mem-

orial Services held at the Grange last Wednesday. We were first welcomed by Master, Thomas McQuaid. The presentation of colors was made and then the Memorial Services took place. Members from each organization and the Gold Star Mothers

took part in the services. It ended with our own Hank as "Chaplain" giving the Benediction.

I understand our post is due congratulations. They have just received a citation for having 100% membership. Congratulations Boys'. Watched the Little League Parade Saturday. It was good to see them get off to a flying start. It also looked very nice to see our post colors leading the group.

The Poppy Drive for 1957 is completed and I think it was one of the first years in at least two or three that we had the sun shining. In the past it was either cold or raining. I want to thank everyone who gave donations. Both Freddie and I thank those who went out and sold poppies. In order to get donations you have got to have workers and although I didn't have many, those I did have were real hard workers. Thank you girls.

I won't dwell on the Memorial Day Parade because everyone knows all that is to be known. I would like to say this though: If you don't belong to an organization but are a veteran or serviceman, fall out and join the ranks. You will be welcomed by any of the boys.

The sympathy of the post and auxiliary goes to the Boothroyd family of Maynard who so tragically lost their two daughters in an automobile accident a week ago. Mr. Boothroyd is at present the returning commander of the Middlesex County Council V. F. W. His daughter Dorothy was a Past President of the Middlesex County Council Auxiliary. The

V. F. W. Ritual Burial Services were conducted by the Middlesex County Council Auxiliary headed by the retiring President, Helen Grimes assisted by Chaplain Sue Fort, Sr. V. Pres., Lillian McCarthy and Conductress, Norma White.

Until next week, Yours Truly.

BABY CHRISTENED

Mr. and Mrs. Thomas J. O'Connors of 38 Swain Rd. had their infant son baptized, James Thomas, at St. Thomas' Church on Sunday, May 5, by Rev. John Regan. Godparents were Miss Josephine Murphy of Scituate and William Cavanaugh of Wilmington. A collation was served at the parents home after the ceremony and present were: Mrs. William Cavanaugh, Miss M. Pearl Ritterhouse, Mr. and Mrs. T. J. O'Connors, Sr., and Miss Margaret Stapleton of Scituate. Mr. and Mrs. O'Connors are the parents of a daughter Theresa Helen, age 3 1/2 years.

DINTY MOORE SUPPER SUCCESSFUL

Mrs. Alice Carroll and Ernest Crispo wish to thank all those who helped in any way to make the Dinty Moore Supper which was held in St. Dorothy's Hall last Saturday evening such a grand success. All those who attended the supper enjoyed a wonderful feed and much praise goes to all the members of the committee who worked so hard for its success.

Other suppers are being planned to which the public is invited.

L. B. S. TO CELEBRATE 100th ANNIVERSARY

Next Wednesday, June 5, at two o'clock in the afternoon, the Ladies' Benevolent Society of the Congregational Church in Wilmington will celebrate its 100th anniversary. Included in the program will be a "Flash-Back", a history of the first year of the society, written and presented by the retiring president, Mrs. Wigo Andersen, singing by a women's quartette in old fashioned dress, a group of appropriate poems read by Mrs. Alexander Goldsworthy, and a skit entitled "Seen Through A Stereoscope", which will give a composite view of the whole century. It will be concluded by greeting to the past presidents given by Mrs. John Silvers, the incoming president, and greeting to the "Charter Members" by Mrs. Andersen. As in the old days the ministers were always active in the women's society, Mr. Cummings will be present to lead the devotions and take part in the skit. An old fashioned hymn singing will close the program. The quartette will consist of Mrs. Carl Oberg, Mrs. Guy Nichols, Mrs. Philip Welch and Mrs. Homer Coursey. After the program a reception will be held in the parish house.

Invitations have been sent to all the past presidents and the women of the church. If by any chance some women in the church should not receive an invitation, they are urged to come, understanding how difficult it has been to get a complete list.

This society known as the LBS, has the name of the oldest organization in Wilmington. This honor, however, it does not merit. The Women's Missionary Society of this church was formed eight years earlier, in 1849. Rumor, though there are no records to prove it, insists that it was actually in existence 15 years before that. The Mission group is and has been for many years, part of the LBS.

The committee in charge of this event are: Mrs. Andersen, general chairman, the captains of the Branches, Mrs. John Nitchie, South; Mrs. Otto Swensen, Center; Mrs. John Allen, East; Mrs. Charles Allgrove, North; Mrs. William Corneliussen, West; Center Associates, Mrs. Sterling Gardiner and Mrs. Robert Hastings; the new president, Mrs. Silvers, and Mrs. Stanley Cummings.

SO. TEWKSBURY METHODIST CHURCH TO HOLD AUCTION

The South Tewksbury Methodist Church will hold a large church wide auction on June 8 at the "1721 House" at the corner of South and Main Streets, Tewksbury. The auction will start at approximately nine thirty in the morning and will continue into the late afternoon. The auctioneer will be Mr. Bill Tobin from Concord. Besides the auction there will be a rummage sale, food sale, pony rides for the children, and assorted refreshments will be on sale. Come and spend the day and enjoy yourself.

Any persons who have any items they wish to donate to the auction are asked to call the following: Reverend Hickman at OL 8-3063, Albert Hart at OL 8-4613, Earl Harding at OL 8-4591, Leonard Thompson at UL 1-2729, John F. Ingalls at OL 8-4642, or Walter Morris at OL 8-2549. It is hoped that this auction will be a large success and any items that are donated will be greatly appreciated. If any persons wish to deliver their items themselves they are asked to deliver them to the "1721 House" which will be open all day Saturday for this purpose.

REGARDING TEMPER TANTRUMS

It has been our policy of late to try to bear, with a certain amount of dignity, the jibes of the sensation seeking little paper that is so proud of its boast that it is the "only paper published in Wilmington". We heard a bon mot applying to boasting the other day, i.e., "It isn't the whistle that pulls the train." Furthermore, the other weekly is printed in Lowell, not in Wilmington.

Wilmington's little paper carried an editorial last week that shook loose our firm resolve not to get involved in any "circulation building" feuds. The word "lethargy" was used, and it brought mixed reactions of annoyance and amusement.

This was all brought about by the decision of the Glen Road School Building Committee, (not a unanimous vote may we add) to give reports of their meetings to the press. The editor of the little paper seems to feel that because he mentions in his paper of May 16 that the committee had an executive meeting with the Board of Selectmen on May 6, that this is why the committee voted to report its findings publicly. (It is our understanding that the inaccuracies contained in the report carried in the little paper had more to do with the decision).

The news was just a trifle stale. In the May 8 edition of the Crusader, in the report of Selectmen's meeting on page 12, the fact of the executive meeting, and the fact that the building committee had requested it, was announced. Also on page 12, an item which reads, "The State Emergency Finance Board informed the Glen Road Building Committee last week that it recommended no action until firm bids have been received."

Supt. of Schools John Collins, at the School Committee meeting on May 1, reported this fact to the Committee. He had attended the hearing along with the chairman of the building committee, Dave Elfman, and Town Manager Joseph Courtney. At the time of Mr. Collins report, the Crusader was the only paper represented. When a reporter strolls nonchalantly into a meeting late and therefore misses out on an interesting item, it is hardly cause to flail out at anyone within reach.

However, in the course of tracking down the detail of the situation, we were asked not to play up the matter at the time. In a case of this sort, we are left to the dictates of our conscience. A headline story, "Double Sessions Imminent" would have sold a lot of papers. As the building committee still had to decide whether it would request another hearing before the Emergency Finance Board, it hardly seemed that any purpose would be served except to excite unnecessarily the parents of the town. The committee decided last Monday to request another hearing. Until this is held and the matter resolved one way or another, there is no big story.

REGARDING EXECUTIVE MEETINGS

A year ago last month, the Selectmen closed their green door securely against the press. The Crusader headlined the story and at the risk of seeming repetitious carried on a campaign for nearly a year to have the meetings re-opened. We sponsored a petition and circulated it throughout the town. Out of courtesy the first person we asked to sign the petition, was the editor of the little paper. HE REFUSED TO SIGN THE PETITION. He stated that he never signed petitions, and furthermore told us it would have no effect. We believe differently. We didn't cover the town as thoroughly as we wished, but what we believe to have made an impression was WHO signed the petition. We had whole neighborhoods, up and down street, two names to a home. We had at least one case of an entire department of town employees and their wives. We had men carry the petition around who served on town committees. We even had the signature of the wife of one of the Selectmen. If the meetings had not been opened at this time, we would have carried the matter to the town meeting. We were shown the feeling of the town in obtaining the signatures. The only refusals we had were from the little paper and a few town employees.

Now, suddenly, we are accused of being lethargic where executive meetings are concerned. Right now the Selectmen's open meetings are a farce. But no other paper takes the trouble to say so.

What minor items are discussed in open sessions could as well be settled over the telephone. Five selectmen meet, sign a few licenses, read a few letters and hear, in open session any complaints by residents who do not realize that they may have the session private, or those who wish publicity. When anything vital to the workings of the town is to be discussed, the Town Manager requests an executive session and the press is given the thumbs. If a matter comes up in open session that is touchy, a note is passed and the matter referred to the executive portion.

The by-laws of the town state that minutes of the meetings shall be kept and these shall be open to the public. When the Crusader requested to look at the minutes of the previous meeting a few weeks ago, the upraised eyebrows could have lifted a cow. The Audubon! Charlie Black was asked to interpret the by-law. He said the minutes could be read, BUT NOT COPIED. The Town Manager told the secretary that "he knew how to get around it".

We didn't bother again. In the reading of the minutes no reference is made to matters taken up in executive session. If they are in there, which we rather doubt after the TM's remark, the obtaining of them is so upsetting to the members of the board that we prefer not to until some important item comes up.

We are undoubtedly not doing ourselves any good by saying this. But we have one advantage. We have never been a "favorite". We have had to dig and dig hard for our information. We have the dubious advantage of having little to lose. We have never been able to boast that we "didn't care about closed meetings" as we knew everything that went on anyway. The fact that we have respected all requests not to report certain items has not carried any weight.

The Selectmen leave themselves open for criticism by not doing something about this secrecy. Their excuse of inaccurate reporting is a very weak one. All they have to do is demand a retraction. A paper who consistently has to print retractions will take care not to make too many mistakes. This has been proven.

SELECTMEN WRESTLE WITH GRAVEL PROBLEMS AT THEIR MEETINGS

cont. from page 1

and requesting an article to be placed in the warrant for Special Town Meeting asking the by-laws be changed to allow Sunday bowling, was received.

The Selectmen voted to hold meetings on the second and fourth Mondays only, during July and August.

Mrs. Drew reported that she is still receiving complaints about the dogs on Wildwood St.

Frank Hagerty has received a complaint from Frank Gray of Eames St., about trees in front of his property that have not been removed since they were left there when the street was widened. Mr. Hagerty also asked about the flashing lights that were purchased for the street near Little League Park. Mr. Courtney agreed to see that they were used on games nights. Mr. Hagerty stated that a fine job had been done on Woburn St., when it was resurfaced, and likewise a fine job on Eames St., but at the intersection of the two streets there remains a bad situation and this may be the cause of a serious accident. Mr. Courtney promised to see what steps could be taken to alleviate the situation.

Mr. Kidder asked if gravel were available to fill the road leading in to the town dump as most of the rubbish was bounced out of the cars before they could reach the proper dumping area.

Mr. DeFelice announced that the Knights of Columbus will hold a road race on June 20 from the Tewksbury line to Thompsons Grove as part of their festival.

Mr. DeFelice also requested the co-operation of the press in publishing the following motion: "That the Board of Selectmen express its appreciation for the services rendered to the town by the Wilmington Clean-up Committee and all who assisted them, and the companies that donated the trucks in the recent drive to clean up the town before Memorial Day." The motion was made by Donald Kidder and seconded by Mrs. Wavie Drew.

The meeting went into executive session at the request of Mr. Courtney shortly after midnight.

OLD AGE NEWS

If you are disabled you may need to take action right now regarding your social security account, even though you are not over the age of 50," said Miss Ethel Eliopoulos, Manager of the Lowell Social Security Office, "whether you are 50 or younger, the disability freeze provision in the law can make an important difference in the amount of your retirement payments, or in the amount of payments that would be due your family in case of your death."

"If you 'freeze' your record," she added, "it means that the time after you became disabled will not be counted when your earnings are averaged to determine the amount of your payments."

Your rate will be figured as though you had reached retirement age as of the date you were disabled. So the "freeze" can make many dollars difference in the amount of your payments. Since the disability period is also left out in figuring the amount of time that you need to be able to qualify, it can also mean the difference between your qualifying for benefits and not qualifying.

"To become eligible to have your record frozen, you must meet the following conditions:

1. You must be disabled to the extent that you cannot do any substantially gainful work. The disability must have existed for at least 6 months, and must be of such a nature that it is likely to continue indefinitely.

2. You must have been in work covered by social security for 5 out of the 10 years before you became disabled, and for 1 1/2 years out of the 3 years just before you became disabled.

3. You must file an application and secure medical proof of your disability.

If you were disabled more than a year ago, it is important that you file your application before June 30, 1957. After that date your record can be frozen for no more than a year before the date the application is filed."

AUDUBON ON TREASURE ISLAND

A band of stalwart bird watchers, all members of the Massachusetts Audubon Society, packed summer clothes and sun glasses, and armed with field guides and binoculars, flew to the Caribbean April 15th. Led by C. Russell Mason, of Newton Highlands, Executive Director of the Society, the group will spend two weeks birding in Cuba and Jamaica, where local ornithologists will serve as guides. Plant life indigenous to the tropical West Indies, as well as the colorful birds of the vicinity, will be studied. A visit to the Isle of Pines, said to Robert Louis Stevenson, will be a highlight of the trip. be the "Treasure Island" of Members of this second Audubon Caribbean Tour include: Miss Mary Louise Cada, Cambridge; Miss Frieda W. Danz, Edgewood, Rhode Island; Mrs. Allston Flagg, New York City; Mr. and Mrs. George M. Fuller, Lexington; Mr. Mason; Miss Mary

URGE ANNUAL CHECKUPS

The American Cancer Society says that annual health checkups are important. Of 1,000 women more than 45 years old entering a doctor's office, 18 are likely to have cancer, while among 1,000 men, 17 are apt to have cancer.

This year more than \$50,000,000 will be devoted to cancer research. Yet little more than one dollar in every \$100 and only one in every \$100 to cancer research, the American Cancer Society says.

The American Cancer Society says that research has developed hormones, certain drugs and some radioactive substances that have proved extremely valuable in treating certain cancers.

SAFETY TIP: Many pedestrians who are killed in traffic, have NEVER DRIVEN A CAR. They fail to realize you can't stop on a dime. When you see an elderly person crossing the street, give age the benefit of the doubt. Wait for pedestrians, says the AAA.

SAFETY TIP: Be especially careful in residential neighborhoods in late afternoon, now that there's more daylight when youngsters can be playing out-of-doors, warns the AAA. A rolling ball in the street may be followed by a small child. Drive carefully where children are likely to be playing.

BLITZ WINNERS

St. Dorothy's Hall was filled to near capacity last Tuesday evening, as many people were on hand to take advantage of the fine time being offered to all.

Innumerable prizes were awarded the lucky winners, including: Door prize, Agnes Connors, Jacquith Rd., the tubular lawn chair was awarded as special prize to Yvonne Cox of Andover St., Lowell. Alice Sullivan of Jones Ave., was awarded the second special prize, a copper-bottom whistling tea-kettle. The third special prize two free cards for next weeks game went to Mrs. Rita Lyons of Main St.

Blitz is not really a game of skill, when we term the winners "lucky" that's just what we mean. Anyone can

win, it takes no more talent than a sharp pair of eyes and good ears. The most important requirement for the Blitz player, is the love of a good time. Like we say, anyone can win, but you must be there.

Every Tuesday night at St. Dorothy's Hall. Why not meander down this Tuesday and try your luck?

News Of

Wilmington Servicemen

 DAVID BIBBY IN
NEWFOUNDLAND

 Wish to write and let you
know that I am leaving Air
Anti-Submarine Squadron
thirty-one, N.A.S. Quonset
Point, Rhode Island, to
Naval Air Station, Argentina,
Newfoundland, for a tour of
duty.

 As an Air Combat crew
member, tactical flights for
colder weather are being
observed in Newfoundland,
and a Sea-Shore rotation
system drawn up by Bureau
of Personnel Washington,
D.C. has helped me to re-
ceive orders to Argentina,
Naval Air Station. I will
probably stay here for my
enlistment period in the
Navy.

 I wish to have The Crus-
ader sent to my new address
and would like you to know
that I have been receiving
the Crusader quite regularly
at Quonset Point, Rhode
Island.

 This privilege you have
given all servicemen has
helped a great deal in re-
ceiving news from home-
town at such a long distance,
all I can say is Thank you,
and keep up the good work
in helping Wilmington grow.
I know hundreds and thou-
sands of servicemen like
me are waiting for a chance
to settle down and live in a
wonderful country of ours.
We are fighting and are
willing to protect you and
our loved ones as well.

 Sincerely,
David J. Bibby

"Who Says You Need Costly Shots To Relieve 'Hot Flashes' And Irritation From Change-Of-Life?"

 Mrs. A. M. Watonga, Okla., adds, "Middle age
was torture. Had costly shots 3 times a week
but got no relief. Then took Pinkham's Tablets.
They brought me new happiness, comfort!"

 Science offers women new freedom
from much of the misery of
change-of-life, thanks to an
amazing new tablet developed espe-
cially to relieve these functionally-
caused discomforts. Doctors re-
ported sensational results using
this remarkable home treatment
alone...and no costly injections!

Relief for 8 out of 10 Tested!

 Irritability, tortured nerves were
calmed. Dizziness relieved. Awful
hot flashes subsided. Here's why.
Unlike aspirin and such "general
purpose" remedies, this new tablet
is a unique combination of special

 medicines...acts directly on the
cause of these troubles...works
through a woman's sympathetic
nervous system to relieve tense
feelings and physical distress that
bring unhappiness to so many.
Clinical tests prove this.

 Now this amazing formula is
at drugstores without prescription.
Ask for "Lydia Pinkham's Tab-
lets". Don't let change-of-life rob
you of joy! Get handy Pinkham's
Tablets. Contain blood-building
iron. See how fast you can feel
your happy self again - without
costly shots! (Also liquid Lydia E.
Pinkham's Vegetable Compound.)

WILMINGTON FIREMEN'S
ASSOCIATION

Hi - Lites

In the year 1919 a serious fire broke out and destroyed the Town Farm buildings on Main Street. The motorized equipment of the town of Woburn had to be called to pump and relay the water, due to the long line of hose that was stretch out. The general opinion of the townspeople was that if the Town of Wilmington had a piece of motorized equipment the Town Farm buildings could have been saved. A Special town meeting was called on May 6, 1919 and at that time it was voted to purchase a piece of motorized equipment and the necessary equipment to go with it. The sum of \$4000.00 was needed to purchase it, with \$2800.00 which was received from the Insurance on the Town Farm buildings go towards the purchasing price. The remaining \$1200.00 to be borrowed by the Town. So the year 1919 proved to be an important year as the Town voted to get its first piece of motorized fire apparatus. It was the start of a major change over for the fire department.

While we are on the subject of new fire apparatus I would like to mention the fact that the Fire Chief is trying to get the Town to purchase an Aerial Ladder truck. He knows what the town has for protection, so let's get one now and give him a better chance to prevent a serious fire. The Ladder truck, which comes equipped with all types of rescue equipment, will be

worth every penny it costs if it saves just one life, because that one life might be yours.

There was a total of 42 alarms of fire for the year 1919, with 13 buildings and 29 brush fires. The Chief stated that the new motorized fire truck which was delivered August 1, 1919, works out very well for buildings and chimney fires, but

is not suitable for fighting brush fires. He recommended that the Town purchase a piece of motorized fire apparatus for suitable for fighting brush fires. The cost would be comparatively small and would not exceed over \$1500.00. So we'll see how he makes out on a brush truck next week. Until then I remain your Friendly Fire Fighter.

HERE'S WHAT WE DO

1. We don't tie springs just 4 or 6 ways — we tie them fully 8 ways and with special twine.
2. We don't just glue loose frames — we take out old dowels, replace them with larger and new ones. We add brand new corner blocks.
3. We don't tack seams at just the obvious spots — we hand sew seams throughout the piece.
4. The welting isn't simulated — it's separate, individually made — that means it's stronger.
5. The seams on the sides and backs aren't blind-tacked — all the seams are handsewn.
6. We don't use ordinary fibre or excelsior — we use the new, expensive moss filling.
7. We don't just repair your cushions — we make brand new cushions with Armour's Hairflex (Latexed Hair).
8. We don't put the fabric on carelessly — we make sure the pattern matches perfectly.
9. We don't just cut from a pattern — we fit your cover as carefully as a tailor-made suit.
10. We don't settle for second-best materials — we use only the highest quality throughout.

CHALK — DUST

by Edward F. Croke

In our rush to build new schools, to finance educational projects, to elect school committees, to solve the varied problems of modern-day education, we often lose sight of the single reason for the existence of the school system — the education of the child.

The child is the primary consideration in the development of an educational system, not the teachers, not the curriculum and not the community. Considering this fact, then, the source of the objectives in education must be the child, ideas for him, for his way of life and for the society in which he must serve as a useful member.

Adults generally and parents and teachers in particular know what they want to find in a child. They want him to be able to get along well with children of his own maturity and with older people. They want his speech to be fluent and correct. They want him to display initiative and to accept res-

pensibility, to begin a task and see it through to its conclusion. They would like him to be cooperative, to do his share either of work or play. They want him to be interested in science, art and music and in the world in which he lives. They want him to be able to learn what he wants to know and to be able to find sources of information, to use such tools as dictionaries, maps etc. The child should be able to read well and write clearly, to see another's viewpoint and to understand how other people live. He should know of his creator and his dependence on a Supreme Being.

Education is concerned with the development of the learner, with home, family and community life, with economic demands and with civic and social duties. These factors force objectives of self-realization, of human relationships, of economic efficiency and of civic responsibility. It follows, then, that the aim of self-realization should be met with the development within the child of an inquiring mind. Someone has said, "One of the largest and most neglected responsibilities of the school is to develop in each child

the ability to think well." Reading, writing, numbers, sight and hearing development, esthetic interests and molding of character meet the needs of self-realization.

An individual is by nature, a member of a family, of a community, or a nation and of a particular way of life. Consideration of this leads to a recognition of certain characteristics to be instilled in the child to train him to take his place in society. He must learn respect for humanity, for friendships; he must be taught courtesy, cooperation, appreciation of his home, his family. There must be developed within him an interest in an occupational choice, in information leading to it and in an adjustment to it and efficiency in it. The child must be taught tolerance, observance of law, social justice and the capacity for social living will be developed as the child continuously experiences an environment conducive to his growth.

What of the principles guiding teachers and the development of a curriculum in an elementary school? A broad knowledge of the subject matter he is to teach, an understanding of children,

their interests, their personality, the way in which they learn, a realization of successful learning experiences and the ways to organize and present them and the utilization of all these factors in providing an educational program is necessary for a teacher.

"The curriculum is considered to be the actual experiences of each pupil which are affected by the school." It should effect the following results: the child should be a social, human being; his health and physical development should have been cared for; he should have been considered an individual and provisions made for existing differences; it should have been suitable to his maturation level and met his needs, interests and purposes; it should have widened the child's concepts of important principles of life; it should have developed new meanings for him by using available resources; it should have compensated, where possible, for environmental lacks and environmental situations; it should have made use of an important aspect of thinking and it should have made possible successful achievement by the child.

SAFETY RULES FOR POWER MOWERS

A Power mower is a potentially lethal weapon unless it's handled with a bit of judgement. Here are some do's and don'ts for its safe operation, given by the editors of Changing Time, The Kiplinger Magazine.

Clear the lawn of stones, wire and other debris before mowing. Don't work on the mower, adjust it or remove foreign matter, unless the motor is stopped. Be sure that small children and pets are well out of the way. Don't use an electric mower when the grass is wet, and don't smoke while fueling a gasoline mower. Learn how to disengage the clutch quickly. And finally, turn off the motor before leaving the machine unattended.

LITTLE LEAGUE PARADE OPENS 1957 SEASON IN WILMINGTON

Wilmington Little League
officially opened its 1957 se-
ason last Saturday morning
with a parade of the High
School Band and players of
the four major and six minor
league teams from the Mas-
sachusetts grounds to the Little
League Park.

After the flag raising and
an address by the President-
Bob Hastings, in which he
urged continued support and
attendance - at all games,
Honorary Town Mayor George
Spanos threw out the first
ball to open the game be-
tween the Yankees and the
Red Sox. The second game
of the opening double header
was between the Indians and
the Tigers. Although an ac-
tual count was not made, the
attendance was very good
and the refreshment stand,
operated by the Women's
Auxiliary, sold out its stock
of tonic and ice cream.

The 1957 Season is off to a
fine start, due to the cooper-
ation and help of the mem-
bers of the League and the
General Public, and contin-
ued support by parents and
baseball enthusiasts will
make this one of our best
years. The attitude of the pa-
rents and public by game at-
tendance will greatly influ-
ence the degree of effort
made by the players them-
selves, and we therefore urge
that, whenever possible, the
public show the boys their
interest by attendance at
both the major and minor
games.

Schedules for all major and
minor games are listed in
this paper as well as printed
in circulars available at local
stores and through the team
managers and personnel of
Little League. In addition to
the regular scheduled games,
the League will run a "Clinic"
on Saturday for the
80 to 100 boys who did not
make either a major or a
minor team. Places, times
and dates for this clinic will
be announced shortly. As
the Wilmington club is fran-
chised with the National at
Williamsport, Pa., we are al-
lowed only four major teams
of 15 players each, and six
minor teams of 20 players
each. This means that of the
285 boys registered, 180 will
make the teams by official
process of auction, and in or-
der to help the balance of the
boys desiring to play ball,
the League has established
the "Clinic", where the regu-
lar team managers and other
League personnel will in-
struct and develop the pos-
sible major and minor league
players of future years.

As My Garden Sleeps

By Mari Gold

During the past few months, I have assembled a terrific number of words, and a couple of ideas into this column in an attempt to aid the amateur gardener. This has probably made stale reading for the experienced. With the approach of Memorial Day, the gardening season shifts into full swing. Tomatoes and peppers are usually set out over this coming week-end. This should finish the planting in most vegetable gardens. However, this is not an indication that all we have to do now is sit back and wait for the produce to start reaping it self.

Weeds, insects and disease will not begin to attack your plants. "Nothing without labor" is the motto of most gardeners. So, the hoe and sprayer or duster must be kept within easy reach, along with a goodly supply of liniment for the growing pains which will soon occur in back.

As soon as the rows are up enough to see, it is time to cultivate them. This is one of the most important steps toward your harvest. It often does more for the plants than watering. Cultivation is a good prevention for insect trouble and will add greatly to the fertility of soil.

Work the soil deep and often. You will find that it pays. Be careful not to injure the roots. Do not wait until disease has attacked and weakened your plants before you attempt to cure it. Remember "one ounce of prevention is worth a pound of cure" this saying is just as true in the garden as elsewhere. There are many easy to use dusts and sprays on the market.

Magicians and burning deserts are not alone in the "optical illusion" dept. You can create one in many different ways if you so choose. If you happen to have a "short" back yard and wish to make it look larger, you can do so. Plant small flowers in shades of blue, at the back of the lot and concentric.

trate your larger flowers in brighter colors closer to the back door. The blue shades will fool the viewer by creating the illusion of depth. You may do this even at this late date, if you purchase "well-started" plants from dealers.

Last week when I wrote on vines I deliberately left one for this week, being Memorial Day week. The omitted vine is the "Passion Vine". This is a half hardy which bears magnificent flowers of a very unusual structure. These flowers are followed by egg shaped fruit with tendrils for climbing. The flower of the Passion Vine is very commonly carved into our cemetery memorials.

Every portion of the passion flower is associated with the life of Christ. There are ten colored parts (including petals and sepals). These are taken to represent the ten apostles who were present at the crucifixion, Peter and Judas being absent. In the center of the flowers are a number of filaments which represent the crown of thorns. There are five stamens which suggest the five wounds which he received. The three sections of the pistil typify the three nails, one through each hand and one through both feet. The stamens and pistil are borne upon a column which may be compared to the one to which Christ was tied when he was scourged. In as much as the plant is a tendril bearing climber, the tendrils represent the whips which Jesus was scourged.

In some species the leaves are three pointed and could represent the blessed Trinity. In other types, the leaves are parted, in which case they could be said to represent the fingers of the hands of the persecutors.

My reason for describing the passion vine in such detail is mostly to explain why it is often found carved upon memorial stones. We do not suggest your attempt to use it in our New England climate. It seldom thrives north of Washington D.C.

KITCHENER — JONES

The wedding of Miss Lorraine Ruth Kitchener daughter of Mr. and Mrs. Albert E. Kitchener of Aldrich Rd., Wilmington, and James Martin Jones, son of Mr. and Mrs. James L. Jones Jr., of Spartanburg, S.C., took place recently in the Wilmington Methodist Church, at a very lovely and impressive candle-

light service before an altar decorated with Easter and Calla lilies, with Rev. Richard E. Harding officiating.

Mrs. Kenneth H. Wilson of Wilmington, soloist offered "I Love Thee" by Grieg, "Brides Prayer", "O Perfect Love", and The Lords Prayer" by Malotte. Appropriate organ selections were played by Mrs. Wilbur T. Staveley, also of Wilmington, a close friend of the bride.

Escorted by her father, the bride was gowned in imported Chantilly lace and nylon tulle. Fashioned with lace bodice and pointed sleeves with a Queen Anne collar trimmed with seed pearls and sequins, the bouffant skirt of lace and nylon tulle over satin terminated in a chapel length train. A finger-tip veil of French illusion fell from her lace coronet and she carried a white bible covered with orchids and Stephanotis.

Mrs. W. Frederick McClure, formerly of Reading, Mass., a close friend of the bride, flew home from Raleigh, N.C. to serve as matron of honor. Bridesmaids were Mrs. Charles White, of North Reading, Miss Delores Amaro of Wilmington, former schoolmates of the bride, and Mrs. Charles Green, of Littleton, Mass., who attended Simmons College with the bride. Junior bridesmaids were Miss Patricia Freeman, of Bowdoin, Maine and Miss Beverly Ann Moore of Bath, Maine, cousins of the bride.

The honor attendant was gowned in white nylon sheer over blue taffeta designed with V-neckline in back and a bouffant skirt of white embroidered nylon over tiers of blue nylon net with hem length sash of blue taffeta. Her picture hat of Rosepoint lace over blue net trimmed with a pink carnation that matched her bouquet. The bridesmaids and junior bridesmaids were similarly gowned, one each in pink mint, yellow, orchid and lilac. They wore matching picture hats and carried bouquets of pink, variegated pink and gold carnations.

Albert E. Kitchener Jr., who is attending Union College in Barbourville, Kentucky, flew home to be best man at his sisters wedding. Ushers were Charles White of North Reading, George Silva of Cambridge, Charles Greene of Littleton, Farrel Cronin of Marblehead, Ernest Woodside and William Faulkner of Wilmington.

At the reception which followed the ceremony, with Mrs. Roland Fuller, Mrs. Ralph Odiorne and Mrs. James Blake in charge of the arrangements, white carnation, Easter lilies and tulips were used for floral decorations, with a five tier wedding cake as the center attraction. Mrs. Dudley Buck of Wilmington, who attended college with the bride, presided at the reception with Miss Barbara Odiorne, Miss Sally Higgenbotham, Miss Vilma Bedell and Miss Jane Randell, all Rainbow Girls of Wilmington, assisting. Miss Diane Swanson of Arlington, a close friend of the bride, was in charge of the guest book in which guests from South Carolina, North Carolina, Maine, New Hampshire and Mass., were registered. Assisting the couple in receiving guests were the

brides mother, wearing lilac-champagne brocaded satin sheath, with sequined hat to match and silver accessories, and the mother of the bridegroom, who was lovely in a blue lace sheath with hat and slippers to match. Each wore a corsage of orchids. When the couple left for a wedding trip south, the bride wore a light blue wool suit, a sequined hat to match and a fur stole with an orchid corsage.

The bride was educated in Wilmington schools, graduating from Wilmington High with honors. She is a member of the Honor Society and attended Simmons College in Boston. For three years she was with Dr. Samuel Lavine at the Peter Brent Brigham hospital as a technician and has recently been associated with the General Hospital in Spartanburg, S.C. She is a member of the college group of the Methodist Church, where she also served as secretary to the Sunday School Superintendent. A Past Worthy Advisor of Rainbow for Girls, Assembly No. 52 of Wilmington. She received her majority at Grand Assembly in Boston.

The bridegroom was educated in Spartanburg, S.C., and attended Worford Jr. College. He was associated with Gilman Drug Co., of Boston, and will enter the U.S. Army this month.

GIRL SCOUTS
HOLD RALLY

The Girl Scouts of District VII, totally comprised of Wilmington troops, held their annual rally at the high school field on Saturday, May 25. The ceremonies opened with the traditional flag ceremony, the Girl Scout promise and the singing of the Star Spangled Banner. Nancy Elwell announced the program. The presentation of the Juliette Low World Friendship fund followed. District Chairman Agnes Crowley and Neighborhood Chairman Connie Widger were in charge of the arrangements for the rally. Leaders participat-

ing were Rae Burns, Jeanne Camber, Betty Balch, Mable Montague, Ruth Ridley, Eva Sidelink, Madelyn Slater and Carol McGann.

Each troop presented a program of its own: Troop 249 held a three legged race; Troop 101 a circle game; Troops 140 and 108 a ball game; Troop 106, a skit, "To Tell the Truth!"; Troop 137 a race; Troop 168, a game of "Sevens"; Troop 165, songs; and Troop 96 presented a pantomime.

A display of crafts from the various troops was held and refreshments were served. Over 60 girls attended the rally.

Legion Service

PROMOTED TO CORPORAL
Ronald Fuller, son of Mr. and Mrs. George Fuller of Main St., was recently promoted to the rank of corporal, following only 13 months of training at Camp Lejeune.

Marine Corporal Fuller enjoyed a week-end visit with his parents this week and returned to his duties at Camp Lejeune on Sunday, May 26. He will leave North Carolina soon for Puerto Rico where he will be stationed after June 1.

Congratulations Corporal Fuller, let's hear more from you.

NANCY REID VISITS OAK
RIDGE TENNESSEE

Miss Nancy Reid of Lowell Street, Technical Librarian for Sanders Associates, Nashua, N.H., spent three very interesting days in Oak Ridge, Tennessee, where she attended the Conference of Information Services held May 22-24, and sponsored by the Atomic Energy Commission.

ST. DOROTHY'S
ANNOUNCEMENTS

Thursday, Memorial Day is also the Feast of the Ascension and is a Holy Day of Obligation. Since it is also a holiday, the schedule of Masses shall be different from the usual holy day schedule in that there will be no 5:45 Mass. The Mass schedule is as follows: At St. Mary's at 7:00, 8:30, and 10:00 a.m. and an evening Mass at 7:30 p.m. At St. Dorothy's Hall, Masses will be held at 8:00 and 9:00 a.m.

Confessions will be heard on Wednesday evening at 7:30 at St. Mary's.

Choir rehearsal, usually held on Thursday, will be held on Wednesday instead at the usual hours, 3:30 and 7:00 p.m.

Since religious instruction classes have terminated, it is the strict obligation of pa-

rents to recognize their responsibility to their children as well as to themselves, in the faithful exercise of the religious practices. They should be faithful in their attendance at Sunday Masses and in the reception of the sacraments.

Two weeks from next Sunday is Trinity Sunday. All Catholics must have made their Easter duty by that time. If anyone knows of a neighbor who is an invalid and who cannot fulfill this obligation, please call the rectory and one of the fathers will visit their home.

Tickets for the father and sons communion breakfast (Sunday, June 9) sponsored by the Holy Name Society may be procured from Gerald O'Brien of Pratt St., So. Tewksbury and from other Holy Name officers.

Teen age girls who are interested in forming a bowling league will meet at St. Dorothy's Hall on Wednesday evening at 8:00.

Altar boy candidates will meet at St. Dorothy's Hall on Friday afternoon at 4:00 and on Monday evening at St. Mary's at 7:00.

Next Sunday is communion day for the women of the parish.

The Novena in honor of our Lady of the Miraculous Medal is held every Monday evening at 7:45.

Rev. Father Leahy is grateful to Mrs. William Tattersall and her committee for the proceeds of Friday night's whist.

This coming Friday evening, Mrs. Leo Landry and her committee will conduct another whist party, at St. Dorothy's Hall.

Rev. Father Leahy is also grateful to the Blitz Committee for the proceeds of Tuesday night's Blitz party. He is also grateful to Mrs. Alice Carroll and Mrs. Ernest Crispo and all who helped for the proceeds of Saturday evening's suppers.

He is also grateful to the ladies of the parish for the proceeds of the luncheon which they held last Wednesday afternoon.

THE BANK IN YOUR
COMMUNITY

This column is written as a public service to readers of this weekly newspaper in an effort to answer some of the questions the Massachusetts Bankers Association receives about banks and bank procedure.

In previous columns, we have discussed types of banks, how a bank creates a medium of exchange and factors in a bank's function. This week, we will discuss other functions of the bank.

As you know, your community bank invests the funds entrusted to it, in Government securities and local real estate. From these investments, the bank realizes a normal return on your money. However, it does more than this. It insures a high level of economy by stabilizing business.

Even the so-called small business of today often finds that it has dealings with other businesses not only in this country but often in foreign land. Your community bank provides the facilities to transfer your funds to any part of the globe.

Banks operate trust departments to care for the administration of estates. The trust department manages these estates, whether the trust is in the form of real estate holdings or invested funds or both.

Many persons find that a bank with its collective skill and experience in such matters is far more competent to deal with the responsibility and duties concerned with the management of such funds, securities or property.

Such an example would be a widow, who is left a sum of money. She prefers the bank invest this money as skillfully as possible and pay her the income from the investment.

Another example would be an estate, which is being held in trust for heirs who may not be of age. The bank, after it has been selected, manages the property for the benefit of the heirs.

The Safe Deposit Department of your community bank is an important service. In these safe deposit vaults, individuals and organizations may rent at a reasonable rate a box to store valuable pieces of property, such as stocks and bonds, deeds, mortgages and even jewelry.

This service offers maximum protection and access is available only to properly authorized and identified individuals.

Next week, we will discuss loans.

ARLINGTON FIVE CENTS
SAVINGS BANK MAILED
OUT OVER \$154,000 IN
VACATION CLUB CHECKS

More than 1,800 thrifty savers at the Arlington Five Cents Savings Bank recently received Vacation Club checks by mail, totaling over \$154,000, announces Edward P. Clark, President.

This is an increase of \$5,000 paid out over a year ago to Vacation Club savers in Arlington and vicinity.

A Vacation Club Account is one of many convenient services offered by the 97 year-old Mutual Savings Bank. Weekly payments of \$50, \$1, \$2 or \$5 or more may be made at any one of the Bank's offices - the main office at 626 Massachusetts Avenue, Arlington Center, and other offices at 190 Massachusetts Avenue, East Arlington, 1300 Massachusetts Avenue, Arlington Heights, and the Bedford Shopping Center, at 152 Great Road, Bedford.

HEALTH FOR ALL

Is Your Child Immune? "Diphtheria? Smallpox? We don't have to worry about them any more."

True, we don't have to worry about them, IF - a real big IF - we take the necessary steps to protect our children against them. The chief reason why these diseases are pretty well controlled in this country is that we've had the means of protection for many years.

Just because we rarely hear of cases, does not mean we can forget about them. The simple routine of protection must go. Within the first year of his life, your child and every child should be immunized against diphtheria, whooping cough, tet-

anus, and polio, and vaccinated against smallpox. Some doctors will mix the diphtheria, whooping cough, and tetanus shots; others give the tetanus toxoid separately.

For all except smallpox, three shots are necessary. Don't worry too much about your child's reactions to the injections. He may be fretful and even a little feverish. He's bound to have a sore arm. His appetite may fall off for a day or so. But doctors say he'll have very little, if any, memory of the discomfort.

When your child reaches his third year or when he is exposed to any of these diseases, your doctor may recommend "booster" shots to insure his protection. Again before entering school, he should have diphtheria, whooping cough, and tetanus shots and a smallpox vaccination. Do explain why they're necessary. Don't try to pretend to him that "they won't hurt a bit."

This is the routine of immunization that every child in this country should go through. In special circumstances your doctor may recommend protection from other diseases such as measles, epidemic influenza, typhoid, cholera, yellow fever, and typhus.

What is your child's life and health worth to you? Certainly, the most complete protection medical science can offer.

Never toss a lighted match away! Put it in an ash tray, smother it in water, or grind it into the earth.

If the car has a short circuit, get it fixed. Many a mysterious fire starts with a defective wire system in an automobile.

About as many deaths or injuries from firearms occur during spring and summer months as during the fall hunting season, according to the Institute for Safer Living of the American Mutual Liability Insurance Company. Reason: The majority of firearms mishaps occur not in the field, but in and around the home. More than one-fourth of all firearms deaths occur to children un-
